

# Lesson Prompts

Week of: February 17

| Day       | Subject       | Prompt   |
|-----------|---------------|--|
| Monday    | Reading       | <b>No School - Presidents Day</b>  |
| Tuesday   | Writing       | If you could travel anywhere in the world, where would you go? What would you do while there?  |
| Wednesday | Math          | Find a movie or concert you would like to attend. Calculate the cost of tickets for you and 3 friends to go and include estimates for meals and fuel.            |
| Thursday  | Science       | Find items in the eEdition that are related to topics you've studied in your science courses. What did you find?   |
| Friday    | Civics/Social | Locate an article about an individual who is honest. What was the honest act? Was there any consequences of being honest? Would you have made the same decision? |
