

# Lesson Prompts

Week of: March 9

Day	Subject	Prompt
Monday	Reading	Find an article or information about a positive event taking place in a school. What do you think of the event? Would you participate?
Tuesday	Writing	Do you have a favorite book? If not, describe how you feel about reading. Do you enjoy it? Why or why not?
Wednesday	Math	Choose a news story and then rewrite the story with all numbers removed. Is it still the same story?
Thursday	Science	On the Weather page map, what city shown has the greatest range from high and low temperatures? What city has the smallest range from high to low temperatures?
Friday	Civics/Social	Using today's eEdition, count how many stories are about your state. Then count how many are about our nation, and how many are about the world. Where is most of the news coming from? Why?
