

# Lesson Prompts

Week of: September 14

Day	Subject	Prompt
Monday	Reading	Find and read a <b>local news</b> story about something that recently happened in the community, such as an event or gathering. Does it affect the community in a positive or negative way? How?
Tuesday	Math	Often, headlines and stories will estimate numbers. See how many estimates you can find in the eEdition, in headlines and stories.
Wednesday	Writing	Find prompt under <b>Write Now</b> located in the <b>Kid Currents</b> section of today's eEdition.
Thursday	Science	View the Temperature section on the Weather page. What is the High temperature? Is it higher or lower than normal? What about for the year?
Friday	Civics/Social	Find a story that shows individual rights conflicting with the common good. What constitutional amendment or article guarantees individual rights? What common good may be violated?
