

Lesson Prompts

Week of: September 28

| Day | Subject | Prompt |
|-----------|---------------|--|
| Monday | Reading | Can you find an article about summer heat, fires, or a natural disaster? What did you discover from reading the article? How did it make you feel? |
| Tuesday | Math | Find a recipe in the Food section. Divide the recipe in half and list the amount of ingredients needed. Then double the recipe and list the amount of ingredients needed. |
| Wednesday | Writing | Find prompt under Write Now located in the Kid Currents section of Wednesday's eEdition. Then have your students submit their essay here for a change to be included in an upcoming issue of Kid Currents. |
| Thursday | Science | Find articles in the eEdition about a location experiencing severe weather. How can this story help us prepare for weather emergencies? |
| Friday | Civics/Social | Choose an article on a current political happening. What is the main subject of the article? Are you knowledgeable on the issue or topic? Would you like to know more? |
