

Lesson Prompts

Week of: October 5

Day	Subject	Prompt
Monday	Reading	Read an article about a bullying instance that took place among young people. In what ways will you stand up to bullying?
Tuesday	Math	Find news photos that have right angles, acute angles, and obtuse angles. Then see if you can find photos that include parallel, perpendicular, and skew lines.
Wednesday	Writing	Find prompt under Write Now located in the Kid Currents section of Wednesday's eEdition. Then have your students submit their essay here for a change to be included in an upcoming issue of Kid Currents.
Thursday	Science	On the weather page, what is the average temperature from the 3-Day Forecast?
Friday	Civics/Social	Read an article about a major social problem. How would you deal with solving the problem?
