

Lesson Prompts

Week of: October 12

Day	Subject	Prompt
Monday	Reading	Find three stories from different cities. Then find three stories from different states, and three from different countries. Discuss what is each place known for?
Tuesday	Math	View Commodities on the Money & Markets section. What fuel had the largest increase from the previous figure? What fuel has the largest decrease year to date? Create a graph that represents these figures.
Wednesday	Writing	Find prompt under Write Now located in the Kid Currents section of Wednesday's eEdition. Then have your students submit their essay here for a change to be included in an upcoming issue of Kid Currents.
Thursday	Science	Find a weather related image. To what article is the image related? Is the weather good, or bad?
Friday	Civics/Social	Find something in the eEdition about your local government. Are you familiar with your local government and the happenings around your community?
