

Lesson Prompts

Week of: October 19

Day	Subject	Prompt
Monday	Reading	Read the stories on the front page, then rank each one in order of importance. Discuss why the news stories got the placement that they did.
Tuesday	Math	Have students read a story and discuss the importance of numbers to the story. Have them rewrite the story without numbers. Can they still tell the same story?
Wednesday	Writing	Find prompt under Write Now located in the Kid Currents section of Wednesday's eEdition. Then have your students submit their essay here for a chance to be included in an upcoming issue of Kid Currents.
Thursday	Science	In the Sun & Moon section of the Weather Page, what time was the sunrise today? What time will the sunset be tonight? What is the duration of daylight today? Look at this same information from last week, what is the difference in times listed for each?
Friday	Civics/Social	Find an article that is about each of the following: a meeting of a government agency, a press conference. What was the importance of each of these?
