

Lesson Prompts

Week of: October 26

Day	Subject	Prompt
Monday	Reading	Choose a page in the eEdition. After reading the articles on the page, find paragraphs written in present, past and future tenses. Discuss the usage.
Tuesday	Math	In the Money & Markets section, under Interest Rates, what is the yield on the 10-year Treasury note? And what is important about this number?
Wednesday	Writing	Find prompt under Write Now located in the Kid Currents section of Wednesday's eEdition. Then have your students submit their essay here for a chance to be included in an upcoming issue of Kid Currents.
Thursday	Science	Find an article about an agency or organization that has a goal of protecting the environment. Based on the article, analyze the group's efforts. Do they appear to be succeeding?
Friday	Civics/Social	Research stories on local, state and national legislation being enacted or pending. What effect will the law have? If pending, will it pass?
