

Lesson Prompts

Week of: November 16

Day	Subject	Prompt
Monday	Reading	Choose a national/world news story to read. Discuss the issue covered in the article. What do you think about the way the world or nation is handling the issue?
Tuesday	Math	In the Food section, locate your favorite recipe. Add all of the ingredient amounts together. What is the total?
Wednesday	Writing	Find prompt under Write Now located in the Kid Currents section of Wednesday's eEdition. Then have your students submit their essay here .
Thursday	Science	Look in the Weather page under UV Index Today. What is today's level? Is it considered low or high? What about one day last week, how does the UV level compare to today's level?
Friday	Civics/Social	Research a current crisis such as the energy crisis or global warming. After selecting stories and information, have students propose possible solutions.
