

# Lesson Prompts

Week of: December 7

Day	Subject	Prompt
Monday	Reading	Have your students pretend they are the main character of a news story. After they read the published account, have them tell their side of the story.
Tuesday	Math	Look at today's ads and find gifts you would like to give or receive this holiday season. What will the total cost be? If you were to purchase these gifts, how would you create a budget?
Wednesday	Writing	Find prompt under <b>Write Now</b> located in the <b>Kid Currents</b> section of Wednesday's eEdition. Then have your students submit their essay <a href="#">here</a> .
Thursday	Science	Under Around the Nation on the Weather page, what city will have the lowest temperature? What factor will contribute to the lowest temperature?
Friday	Civics/Social	Research good and bad relationships between the United States and other countries. Try to categorize the reason these relationships may exist
