1. In Chapter 4, Woody and Chloe learn the different parts of the newspaper. See if you can locate the following:
   - Ear
   - Flag
   - Masthead
   - Cutline
   - Jump line

2. Although the dateline once had the date of the article, now it just lists the name of town (provided the article originated somewhere other than the local newspaper). Find at least one dateline (town/state) in the newspaper.

3. Open Google Maps or a real atlas and find the distance between the dateline and the town you reside. How many miles away is that town from the town you live in?

4. Pete told Woody and Chloe that if they couldn’t read the entire paper, at least skim over the headlines. Skim the headlines in your local paper. Which one do you find the most fascinating? Why?

WHAT DO YOU THINK?

At the end of Chapter 4, Woody and Chloe read the headline about the bicycle thief and decide to call the police. What do you predict will happen? Will the guy they saw on the bicycle be the thief the cops are looking for?

CUT & PASTE

Did your newspaper provide a scrapbook so you can collect the stories? If not, make your own scrapbook. Then cut out each chapter and paste it in the scrapbook. Once you’ve collected all 10 chapters, you will have your very own Woody book! Are Woody and Chloe coming to your town soon? If so, bring your scrapbook for the pups to sign!
