Questions & Activities

1. In Chapter 6, Mr. Dawson shows Woody and Chloe a rotary phone and a typewriter. Does anyone in your class have a rotary phone or typewriter they can bring to Show-and-Tell? If so, let everyone have a turn dialing his/her phone number. Likewise, let everyone practice typing his/her name using typewriter.

2. Mr. Dawson also explained that people used phone books. Ask around to see if anyone has an old phone book. If you find one, look up your last name. How many people are listed in the phone book with your last name?

3. Open the newspaper to the Classified section. Can you find any printing equipment for sale? What about a typewriter?

4. With the help of your teacher or parent, visit Amazon.com and search for rotary phones. How many different colors do you see? What is the average cost?

5. Woody learns the phrase “Mind your p’s and q’s” comes from the printing industry. What does that phrase mean?

6. Mr. Dawson gives the pups an official press badge. Using your artistic ability, create a badge for Woody and Chloe.

CUT & PASTE

Did your newspaper provide a scrapbook so you can collect the stories? If not, make your own scrapbook. Then cut out each chapter and paste it in the scrapbook. Once you’ve collected all 10 chapters, you will have your very own Woody book! Are Woody and Chloe coming to your town soon? If so, bring your scrapbook for the pups to sign!
